

# Shipping Information

The net shipping costs (packing and postage/freight costs) for your shopping cart are quoted in Euro before your final confirmation of the order.

## 1. Delivery Period

The ordered products are generally shipped within 5-10 working days from date of order (with direct debit and advance payment only after receipt of payment). In case of deviations from this delivery period you will be informed separately. Please see further details to delivery period from the section 5 of the General and Standard Terms and Conditions "E-Shop".

### 1. Delivery within Germany

After filling the shopping cart but definitely before sending of order the net shipping costs (packing and postage/freight costs) for delivery by forwarding agent (street) to your shipping address are quoted in Euro.

Unless otherwise agreed the following terms of delivery apply:

Value of goods < 1,000 €

Delivery "ex works" (Incoterms) Oelde, packing included

Value of goods ≥ 1,000 €

Free delivery, packing included

### 2. Delivery within EU Territory (outside of Germany)

After filling the shopping cart, definitely before sending of order, the net shipping costs (packing and postage/freight costs) for delivery by forwarding agent (street) or airfreight to your shipping address are quoted in Euro.

Unless otherwise agreed the following terms of delivery apply:

Delivery by forwarding agent (street):

DAP Destination (Incoterms), packing included

Delivery by airfreight:

CPT Destination (Incoterms), packing included

### 3. Delivery outside of EU Territory

Deliveries to shipment addresses outside of EU territory can be ordered individually (e.g. by E-Mail or fax). Unless otherwise agreed the same General and Standard Terms and Conditions "E-Shop" for orders from EU territory apply for such orders. The delivery conditions apply as mentioned above in point 2 "Delivery within EU Territory (outside of Germany)" We retain the right of choosing our General Terms and Conditions "Export" or individual agreements as a basis for deliveries outside of EU territory. . In either case our order confirmation is subject to conclusion of agreement of delivery.
